

IN THE SPECIFICATION

Please amend the specification by replacing the first full paragraph on page 11 with the following paragraph:

A/ In FIG. 4A, an end view of the second SIM card holder 25 of FIG. 4 is shown. In FIG. 4A, a first set of electrical contacts ~~40a-c~~ 50a-c are shown engaging the underside of a SIM card when the card is inserted into the frame 21. Furthermore, in the lower portion of FIG. 4A, a second contact set 49a-c is shown that interacts downwardly upon a SIM card when a SIM card is inserted within the first SIM card holder 22.
